THE BIRDHOUSE

The Birdhouse at Riverbanks just happens to be Zoo Director Satch Krantz's favorite space to host an after-hours event. "First impressions are everything," Satch says — and so under a grand wooden pergola, your guests are first greeted by elegant Caribbean flamingos and Japanese koi fish. Upon entering the sky-lit atrium, there are several geographically themed exhibit areas, each suited for either seating, bars, hors d'oeuvre displays or chef performance stations. Socializing and networking have never been more fun while in the company of penguins, hornbills and other exotic birds! Tables, chairs, standard linens, background music, set up, clean up and an event manager are included.
